

Week 1 — Max Norén

- What do I want to learn or understand better?
 - Learn how to better coordinate and establish cooperation between team members online.
 - Be more familiar with scrum and working in the agile method
- How can I help someone else, or the entire team, to learn something new?
 - Clearly communicate my own concerns and questions surrounding our assignment and team structure with the rest of the team to better improve collaboration and make sure everyone is at the same level of understanding.
 - Study and put into practice scrum and agile methodology
- What is my contribution towards the team's use of Scrum?
 - Contributing in an initial setup of a shared repository and a set of channels, documents and a social contract which will be used for our work going forward.
- What is my contribution towards the team's deliveries?
 - Contributing in the organization of the team
 - Contributing in the planning of project pitch
 - Communicating with TA to specify short term team goals.
